GENDER CELL

1. Chairperson - Dr AMIT KUMAR CHAKRABARTY (Head of the Institution)
2. Convener- KYAMALIA BAIRAGYA (8967134353)
3. Members- OENDRI CHATTORAJ (6294594231), BEAUTY MONDAL (7430961979)
RAJMATI MARDI (7908406624)

As per the guidelines of the UGC, the institution has a well functioning Gender Cell constituted by the above members who are active in the maintenance of Gender equality within the Campus by following a compact plan of action as instructed by the Head of the Institution and guided by the IQAC Coordinator of the College. The Gender Cell collaborates with the Grievance Redressal Cell to become aware about specific grievances on gender issues and with the Internal Complaints Committee about any sexual harassment related complaints within the Campus. It adopts the policy of forwarding complaints and gender specific grievances to the head of the institution after acquiring necessary complaint reports through documents from the Internal Complaints Committee and Grievance Cell whenever applicable. Its objectives are:

1. To sensitize the learners about various social and cultural ideas related to Gender by arranging awareness programs and create a bunch of progressive minded responsible learners to achieve the goal of obtaining gender equality within the Campus.
2. To apply its discretion by taking appropriate actions for reported grievances and complaints.
3. To promote gender equity through its activities
4. Encourage the institutional authorities to look after the general safety and security of all stakeholders, particularly the girl students and women staff members.

Function: To maintain a well organised plan of action, resolve gender issues by forwarding them to the Head of the Institution and collaborate with the IQAC for arranging any kind of sensitization or awareness programs in the institution.

Report on the promotion of Gender Equity in Campus during the tenure of 2018- 2023

The institution has ensured the promotion on gender equity through its strict maintenance of a zero tolerance policy towards all types of gender issues arising from any kind of misdemeanour leading to complaints on harassment and discrimination by any of its stakeholders. In order to ensure proper management CCTV is installed at several places within the Campus. A Code of Conduct rulebook has been uploaded in the website as part of the institution's efforts to guide the learners and staff members about the kind of behaviour they are expected to display to abide by the institution's efforts on following zero tolerance policies.

Separate arrangements for women include Common Rooms for girl students and female staff members in assigned locations. A sanitary napkin vending machine was gifted by the Alumni Association in the academic session of 2022- 2023 for the maintenance of hygiene among the girl students of the institution. A baby care room for children and mothers is also facilitated within the Campus since 2023.

The institution has a separate sub- committee named Gender Cell with The Head of the Institution as its Chairman, three teaching and one non- teaching staff as its active Committee members functioning under the guidance of the Internal Quality Assurance Cell in the academic sessions of 2018- 2023.

The Gender Cell collaborated with the Grievance Redressal Cell to become aware about specific complaints on gender issues and with the Internal Complaints Committee about any sexual harassment related complaints within the Campus. It adopted the policy of forwarding gender specific grievances to the head of the institution after acquiring necessary complaint reports through documents from the Internal Complaints Committee and Grievance Cell whenever applicable. Apart from this the Gender Cell members shared the responsibility of tackling gender issues arising in the day to day functioning of the College mostly reported informally through oral conversations.

The students were informed about the above policies in their first induction programs within the institution and through awareness programs. These are also uploaded in the Website.

Dr Suman Mukherjee
Teacher-in-Charge
Turku Hansda Lapsa Hemram Mahavidyalaya
Mallarpur, Birbhum-731216

The Gender Cell came together in all the academic years from 2018- 2023 under the Chairmanship of the Principal to conduct meetings and remain updated about their plan of activity in respective academic sessions.

Gender audit was conducted by the audit team members in each academic year for the promotion of gender equity in the institution and a satisfactory report was generated with the possibility of making necessary improvement on specific issues.

A number of awareness and sensitization programs on various topics were organised by the Gender Cell in collaboration with the IQAC within the Campus:

1. Awareness Programme on 'Menstrual Health and Hygiene' organised on the occasion of International Women's Day (8/3/2019) in the academic session of 2018- 2019

2. Awareness programme on 'Gender Based Violence' organised on 3/3/2020 in the academic session of 2019- 2020 to impart the concept of how violence can impact both men and women under specific circumstances and the ways to prevent them.

3. An Online sensitization and awareness program on 'Gender roles during the Pandemic' organized on International Women's Day (8/3/2021) in the academic session of 2020- 2021 to spread the idea of the importance of equality in gender roles during the lockdown.

4. Sensitization program on Sexual Harassment (Vishaka Guidelines) on 22/1/2022 and an Awareness program on 'Educating the Girl Child and various scholarship schemes for girls' organised on 8/3/2022 in 2021- 2022 session.

5. An awareness program on 'Prohibition of Child Marriage' organised on 9th March 2023 in the academic session of 2022- 2023.

The institution is pleased to confirm that there has been no reports of complaint on sexual harassment cases from the ICC and there has been no report of grievances on gender related issues from the Grievance Cell in the tenure of 2018- 2023. So there are no grievances documented to be handled by the Gender Cell in the above mentioned tenure. The institution along with the effective functioning of the Gender Cell has been able to ensure a gender sensitized and bias free campus admired by all stakeholders for its student friendly ambience over the years.

The meeting started under the chairmanship of the Principal of THLH Mahavidyalaya and the following resolutions were adopted.

1. The Gender Cell will be functioning as usual with its already decided membership since 2017. After reviewing the activities of the previous academic session (2017-2018) it is found that the Gender Cell has been functioning well with its target of maintaining a healthy ambience in the Campus and it is resolved that the Cell members will adopt the previous plan of action in the present year also.

2. After checking with the Grievance Cell and FCC of the institution it was resolved that since no such complaints or grievances have been received from the students or teachers or non-teaching staff of the institution regarding gender related issues, no such grievances are

রেজল্যুশন / RESOLUTIONS ADOPTED

complaints will be recorded by the Gender Cell. The institution feels proud for maintaining a gender sensitized Campus with zero tolerance policy.

3. With the objective of promoting Gender equity in the institution, an awareness program will be arranged on the topic of 'MENSTRUAL HEALTH and HYGIENE' for the female stakeholders of the College in the academic session of 2018-2019.

4. Gender audit will be initiated to check the institution's available equipments and policies to maintain the gender equity goals and objectives in the academic session of 2018-2019.

The meeting ends with thanks to all.

A meeting of the Gender Cell took place under the chairmanship of the Principal.

* The following resolutions were adopted

→ On reviewing the records of the previous academic session it was found that no complaints had been received in it and the Gender Cell had been well active towards the promotion of Gender equity in the institution by providing basic needs to the Gender Cell.

→ The Gender Cell Convener and JCC Convener present in the meeting confirmed that no gender related complaints or grievance were documented from any stakeholders of the institution for the excellent zero tolerance policy practised by the college through awareness like

রেজল্যুশন / RESOLUTIONS ADOPTED

PC TV campus, proper security, separate common room, regular visits, weekly awareness and sensitization programs etc. The cell is congratulated for its effort.

→ The current academic session will be involved in chalking out the Gender related papers in the Curricular and extra curricular activities of the College. It is also resolved that all kind of essential aid will be provided to the female stakeholders of the institution to address their specific issues whenever needed. The Gender Cell members will be looking after it and new teaching staff Mrs. Kajmati Mondal will be employed for providing emergency kits to female students of the College whenever needed.

It was also resolved that an awareness program will be arranged in this (2019-20) academic session to sensitize the student about Gender Based Violence.

→ Gender Audit will also be initiated by Gender Audit team members.

An online meeting was arranged by the Gender Cell under the Chairmanship of the Principal and in the presence of the IQAC Coordinator over the Google Meet Platform at 11:30 am in the morning.

The following resolutions were adopted by the present members in the Online meeting:

- The activities of the previous academic session was reviewed and it was resolved that as the College was closed from March 2020 due to the Pandemic no activities could be carried out in the offline mode.
- Since the usual plan of action was not being followed due to the Pandemic struck situation, the teachers and Gender Cell members will try to keep in regular touch with their students over online platform or over the communication systems adopted to carry out all necessary activities.
- After checking with the Grievance Cell Convener and ICC member present in the meeting it was resolved that since no complaints or grievances related to Gender issues have been received from the students or teachers or non teaching staff members of the institution, no grievance or complaints will be documented with the Gender Cell.

নেজাফ্যুশন / RESOLUTIONS ADOPTED

- The institution feels proud for maintaining a peaceful and gender sensitized ambience within it.
- Owing to the blended mode of teaching and learning adopted during this period, any kind of grievances if raised by any of the stakeholders they will be handled with compassion by the Gender Cell, all other statutory bodies and the authorities concerned.
- An online awareness program will be arranged by the Gender Cell members on the topic 'Gender Roles during the Pandemic' to sensitize the learners about the issue.
- Any further activity will be conducted online in this session. The meeting ended with thanks to all.

রেজল্যুশন / RESOLUTIONS ADOPTED

The College has reopened after a long period of closure due to the Pandemic phase. It is the month of November and the members of the Gender Cell of Turku Hansda Lapsa Hemram Mahavidyalaya has come together in order to chalk out their activities for the rest of this academic session (2021-2022).

A meeting of the available Gender Cell members took place in the chairmanship of the Principal and presence of the IQAC Co-ordinators and the following Resolutions were adopted:

- Minutes of the previous meetings are read and confirmed.
- The Sub Committee of the Gender Cell which was formed in the academic session of 2019-2020 will have the same members for its smooth functioning.
- Keeping in mind about the long gap created over this Pandemic phase, new plans will be made for arranging Sensitization and Awareness Programmes to engage the students in a progressive manner on Gender related issues.

A meeting was arranged by the Gender Cell under the Chairmanship of the Principal and in the presence of the IQAC Coordinator over the in the meeting room of the College at 2:30 pm in afternoon. The following resolutions were adopted in the meeting:

- The activities of the previous academic session was reviewed and it was resolved that as the College was once again closed during the Omicron Phase of the Corona Virus, in January 2022 a revival of the Gender Cell is also required by preparing a strong plan of action for its smooth functioning.
- After checking with the Grievance Cell Convener and ICC member present in the meeting it was resolved that since no complaints or grievances related to Gender issues have been received from the students or teachers or non teaching staff members of the institution, no grievance or complaints will be documented with the Gender Cell regarding this
- The institution feels proud for maintaining a peaceful gender sensitized ambience within it.
- Owing to the blended mode of teaching and learning adopted during the previous session of 2020-2021 no such grievances were raised or documented by the ICC or Grievance cell of the College.

- An online awareness program has however been arranged the Gender Cell members on the topic Sexual Harassment and the Vishaka Guidelines to sensitize the participants about the issue.
- Another awareness program will be arranged by the Gender Cell on the topic of 'Educating the Girl child and scholarships for the Girl Child' in the present academic session to sensitize the students on the importance of the topic.
- Regarding the improvement of facilities for Girls in the Campus the issue of a Sanitary napkin vending machine is raised to be resolved in the next academic session and uniformly accepted by all the members
- The meeting ends with thanks to all.

Subject- Request for organizing an Awareness Program on 'Prohibition of Child Marriage' by the Gender Cell in collaboration with the IQAC in the academic session of 2022- 2023 with Dr. Sk Nur Upsar of THLH Mahavidyalay as the speaker.

Sir

This is to inform you that, the members of the Gender Cell are planning to organize an awareness Program on the topic 'Prohibition of Child Marriage' in collaboration with the IQAC in the month of March 2023. It will be an intra- College event where the teachers of the College will be present along with interested students of the College. Dr. Sk. Nur Upsar of the Department of Philosophy of this institution will be the honourable speaker of this event.

On behalf of the Gender Cell I request you to approve the above proposal and do the needful.

Thanking You

Place: Mallarpur

Report:

A awareness program was organized by the Gender Cell of the College on the topic of 'Prohibition of Child marriage' in collaboration with the IQAC on 9th March 2023 in the academic session of 2022- 2023 to sensitize the participants about the problems of Child marriage. Dr. Sk. Nur Upsar of the department of Philosophy was the invited speaker of this event.

The objective of the event was to build awareness among the young learners about the difficulties involved in child marriage and the possible problems that may arise with it.

The speaker emphasized upon the problems of child marriage in the Indian context. He used his knowledge to highlight the legal and social reasons behind the prohibition of child marriage. The laws declaring child marriage as a punishable offence were briefly mentioned by the speaker and the participants were encouraged to stand against this unhealthy practice under all circumstances. He also tried to highlight upon the several ways of developing oneself for a bright and productive life before getting involved in marital relations. He emphasized on the problem lying with early marriage in girls as well as boys separately.

The program was held in the Seminar room of the College in which a total number of 45 students and 13 teachers from this institution took part with great interest. It was an interactive session. Although there were no such visible outcomes at the moment, the participants seemed to be convinced with the reasons given for prohibiting child marriage completely.

Report:

An awareness program was organized by the Gender Cell of the College in collaboration with the IQAC to sensitize the students about the importance of girl education and the financial support that is provided by the government to ensure the progress of the girl child. It took place on 8th March 2022 and the invited speaker for the event was Mr. Amit Chandra Das of Physics department of the College. The program was attended by 37 students and 12 teachers from the College.

The objective of this program was to spread the awareness about the necessity of education for girls in a country like India particularly in the rural areas and also to inform about the various kinds of scholarships available to the girl child for fulfilling her dreams irrespective of her origin.

The speaker emphasized on the need to build a support system to encourage the girl child to aspire for quality education in higher educational institutions. His focus lay on how the educational institutions could work towards providing a safe environment for the girls enrolled in them. The other half of his lecture was about the various scholarships at State and National level like the Kanyashree Prakalpa in West Bengal. The Kanyashree Prakalpa K1, K2, and K3 are school and college level scholarships offered by the Department of Women Development and Social Welfare, for the girl students of Bengal aged between 13 to 18.

The outcome of this event was satisfactory indeed as other teachers also got involved in sharing their views on the necessity of proper education for girls to ensure a holistic development of the country and community. The participants were happy to know about the available support systems and realized the importance of their role as educated human beings in a civilized nation like India.

Subject- Request for organizing an online Sensitization Program on ' Gender Roles during the Pandemic' by the Gender Cell in collaboration with the IQAC in 2020- 2021 academic session.

Sir

This is to inform you that, the members of the Gender Cell are planning to organize an online sensitization programme on the topic 'Gender Roles during the Pandemic' in collaboration with the IQAC in the month of March 2021. It will be an intra- College online event where the teachers of the College will be present along with interested students of the College. Dr. Sewli Chatterjee of the Mathematics Department of this institution will be the honourable speaker for this event. The event will be entirely conducted over the online platform.

On behalf of the Gender Cell I request you to approve the above proposal and do the needful.

Thanking You

Place: Mallarpur

Resolutions

- An awareness program in the academic session of 2020- 2021 will be arranged for the students by the Gender Cell members in collaboration with the IQAC in order to sensitize them about the changing gender roles during the pandemic.
- It will be an online invited lecture by one of the faculty members of the institution arranged over the Google meet platform.
- Dr Sewli Chatterjee of the department of Maths of this institution will be invited to talk about the necessity of maintaining a equal standard for both men and women at home particularly during the lockdown phase
- The Convener of the Gender Cell will apply to the Principal seeking permission regarding the arrangement of this program and the IQAC will provide its full support in the above mentioned program
- The exact date and time will be fixed after consulting it with the invited speaker and it will be notified in the final notice of the program. The teachers will be requested to be present in this event according to their convenience.

This event is expected to upgrade the institution's efforts towards ensuring gender equity in institution.

The meeting ends with vote of thanks to all.

REPORT:

Owing to the emergency enclosures of the educational institutions all over India since March 2020, all the academic institutions have been functioning in the blended mode. Being unable to have much opportunity of meeting with friends or family, the pandemic has forced people to focus upon the importance of the changing dichotomy in gender roles to a great extent. The Gender Cell of THLH Mahavidyalay took this opportunity to organize an awareness program in collaboration with the IQAC to sensitize on the topic 'Gender roles during the Pandemic' on 8th March 2021. It was an intra College program and the invited faculty speaker for the program was Dr. Sewli Chatterjee of the Mathematics department of THLH Mahavidyalay. The program was attended by 29 participants over the Google meet platform.

The objective of the program was to have an interactive session about the kind of roles and responsibilities which had become important to be performed during the pandemic period particularly due to the phenomena of 'work from home' for both men and women.

The speaker being a working woman and a homemaker by herself was able to highlight the significant issues that demanded attention regarding the gender roles at particularly within the home. She focused on the necessity of sharing the workload at home for both working men and women in order to reduce the mental pressure during the lockdown phase.

The online program was an interactive session among the students and teachers and the outcome was indeed a satisfactory one as the young learners were sensitized about the concept of gender discrimination and how to grow up by keeping a progressive outlook at all situations. They were satisfied as certain issues like mental health and well being of people staying at home during the pandemic phase was also referred to by the speaker.

REPORT

An awareness program was organized by the Gender Cell of the College in collaboration with the IQAC of the College on 3rd March 2020 to sensitize the students about the concept of gender-based violence with Mr. Debkrishna Saha and Mrs Sanhita Samanta as the speakers on that day. The event was attended by 43 students and 5 teachers apart from the speakers and it was an extremely interesting session as a number of issues were brought up in the program to build awareness about how the modern society is facing the increasing amount of gender-based violence in their lives.

The primary objective of the program was to make the students understand the concept of violence which can take place in a variety of ways. Mrs Sanhita Samanta spoke about the various kinds of violence which can take place on women irrespective of any country or any particular society and can even go unnoticed by others. She gave examples of how violence against women gets manifested in a variety of ways like physical violence such as assault or slavery, emotional or psychological violence such as verbal abuse, sexual violence like rape and many other ways of inflicting pain and torture which also includes denial of basic facilities and imposition of confinement on women. Domestic and workplace violence was also an important topic raised in this discussion by the speaker.

Mr Debkrishna Saha elaborated on the other aspect of the concept of gender based violence in terms of violence which can take place against men. Although a topic of lesser interest, domestic violence against men is also not uncommon as it is violence or other physical abuse towards men in a domestic setting such as marriage or cohabitation. The speaker elaborated on the similar ways of violence against men which might lead to psychological distress in both male and females. There is however a different set of laws addressing the issue of GBV against men.

The outcome of the program was that the participants came to know about the different areas of concern that might be raised due to the practice of violence and severity upon both men and women in a primarily patriarchal society. They came to know about the various laws and measures to curb the growing nature of violence across the world. The topic of verbal and psychological abuse inflicted upon both genders was a new topic to grab the attention of the participants of the program.

Subject- Request for organizing a Sensitization and Awareness Program on Menstrual Health by the Gender Cell in collaboration with the IQAC

Sir

This is to inform you that, the members of the Gender Cell are planning to organize Sensitization and Awareness Program on 'Menstrual Health' in collaboration with the IQAC in the month of March 2019. It will be an intra- College event where the female teachers of the College will be present along with interested female students of the College. Oendri Chatteraj of the English Department who is also a member of the Gender Cell of THLH Mahavidyalay will be the honourable speaker for the event.

On behalf of the Gender Cell I request you to approve the above proposal and do the needful.

Thanking You

Place: Mallarpur

REPORT:

A one day Sensitization and awareness program on the topic of 'Menstrual Health and Hygiene' was organized by the Gender Cell of Turku Hansda Lapsa Hemram Mahavidyalay on 8th March 2019 in collaboration with the IQAC to focus on the health impact caused by lack of menstrual hygiene among young girls and women. A total number of 30 female students of the College had joined the program and 6 female teaching members were present in this program. Mrs. Oendri Chattoraj was the invited speaker of the event. It was conducted in the vernacular to bring clarity in the discussion.

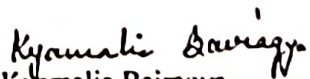

The major objective of this program was to empower the participants with the right kind of knowledge about the issue. The program also handled the misconceptions about menstruation and health issues related with it.

It was able to make the young girls participate through an informative discussion in which all the present female faculty members also took part to share their experiences with the girls. The speaker emphasized on the necessity of maintaining proper hygiene and sanitation during this particular phase through the usage of medicated sanitary napkins and by following the proper disposal method. The speaker instructed the participants about the proper use of the sanitary napkins. They were also instructed to consult doctors if they had been experiencing any abnormalities during their menstrual phase at any stage.

The outcome of the program was quite interesting as after a certain amount of attention given to the topic, the girls began to speak up on their concerns about the issue. It seemed that there were many unaddressed issues regarding the different kind of menstrual problems in their lives and the speaker along with the other teaching staff tried to find answers for their concerns as much as possible. The sensitization and awareness program was indeed a successful event.
